

# Fairfax County Police Department

## Youthful Driver Improvement Program

### Registration Form

Your child has been selected to participate in the Youthful Driver Program. This eight hour class is conducted by the Fairfax County Police Department's Emergency Vehicle Operations Center to educate young drivers and provide proven driving techniques to help avoid serious accidents. The same professional staff that trains police officers from all over the country will teach your child proven defensive driving skills. The cost of the course is \$200 per student and financial assistance is available. Payment is due on the day of training and checks or money orders are preferred. Credit cards will not be accepted.

This form is only a recommendation by a police officer. A selection process is conducted by the Emergency Vehicle Operation Center staff, and you will be notified of your child's acceptance and the date of class.

Participant's Name		Participant's Operators License		
LAST	FIRST	M.I.	NUMBER	STATE

Participant's Address			
STREET ADDRESS	CITY	STATE	ZIP

Participant's Phone Numbers		
HOME PHONE	WORK PHONE	CELL PHONE OR E-MAIL ADDRESS

OFFICER'S SIGNATURE	TODAY'S DATE	DMV Record Check Completed? <input type="checkbox"/> YES <input type="checkbox"/> NO	
OFFICER'S COMMENTS: Include reason for referral i.e. traffic stop, accident, friendly referral			

## **Fairfax County Police Department Youthful Driver Program**

The Fairfax County Police Department has recognized the significant need for advanced driving skills for our youthful driver population. Headlines today scream out with stories of horrific endings to young lives caused by inexperienced drivers. In an effort to reach out to this very specific population group, youths aged 16-18, we have undertaken a partnership with the community to meet this tragic problem head-on.

The FCPD Youthful Driver Program is one-day hands on course developed to provide advanced driver training techniques to our kids-the same skills taught FCPD's own officers. Your child will drive a four door sedan, currently provided courtesy of Pallone Chevrolet/Nissan in Springfield, as they attempt to master proper braking techniques, accident avoidance skills, skid control, serpentine, steering wheel management and off-road recovery techniques.

The course is held from 7:00am until about 4:00 p.m. on a Saturday. Instructors are law enforcement officers whose full-time job is to teach driver-training skills to their peers. Fairfax County's program and staff are ranked among the best in the nation at what they provide.

Training will take place at the Emergency Vehicle Operations Center located at 3725 Stonecroft Boulevard in Chantilly, Virginia. It is a secured facility located just off Rt. 50. The track is a 1.1 mile circuit completed in 1994 and only one of a handful in the country built specifically for law enforcement driver training.

This course is being offered to your son/daughter as a public service because we know we can make a difference. Please take advantage of our offer. Trial courses have already taken place and all students were extremely pleased with the program.

Once the School Resource Officer has completed a DMV record check on you or your youth, you will be notified of a date for your training once staff has received your form. Training will occur at the Fairfax County Criminal Justice Academy, Driver Training Unit, 3725 Stonecroft Blvd, Chantilly, VA. Questions may be referred to the supervisor at the track at 703-818-1924.
